Professional Indemnity Exclusion

This Certificate excludes all liability arising out of the exercising by the Insured or any Servant, Employee, Agent or Sub-Contractor of the Insured of any professional skill, duty or advice whether fees are charged or not.

Pollution : Clean Up Costs Extension

Applicable to Section D: Pollution Liability only.

The insurance by this Section is extended to indemnify the Insured against all sums, including statutory debts, which the Insured is legally liable to pay for remediation and/or preventative costs in respect of actual or potential damage which

- i) occurs within Great Britain, Northern Ireland, The Isle of Man or the Channel Islands, and
- ii) happens during the Period of Insurance and arises out of Pollution but only to the extent that the Insured can demonstrate that such Pollution was the direct result of a sudden, specific and identifiable incident

where such liability arises under an environmental protection directive, statute or statutory instrument.

However, Underwriters will not indemnify the Insured in respect of any such costs which are attributable to actual or potential environmental damage to either:-

- a) land, water, property or premises, or
- b) land or water within or below the boundaries of any land, property or premises

either presently or at any time previously

- i) owned or leased by the Insured, or
- ii) in the care, custody or control of the Insured other than land, water, property or premises temporarily occupied by the Insured for the purpose of work therein or thereon.

The Limit of Indemnity in respect of liability insured under this Extension is GBP 250,000 in the aggregate inclusive of all costs and expenses during any one Period of Insurance but the Limit of Indemnity under this Section shall not be increased by virtue of this Extension.

Definition

Clean Up Costs and Expenses

“Clean up costs and Expenses” shall mean the costs and expenses of remedying the effects of Pollution incurred by the Insured or for which the Insured are legally liable and which are imposed on the Insured by any government or statutory authority responsible for implementing or enforcing environmental protection legislation or regulations.
